OCEANIA FOOTBALL CONFEDERATION (INC) STATEMENT OF ACCOUNTING POLICIES FOR THE YEAR ENDED 31 DECEMBER 2007

Reporting Entity

Oceania Football Confederation (Inc) is an incorporated society registered under the Incorporated Societies Act 1908.

Measurement Base

The measurement base adopted is that of historical cost. Reliance has been placed on the fact that the Confederation is a going concern. Accrual accounting is used to match expenses and revenues.

Specific Accounting Policies

The specific accounting policies adopted in the Financial Report and which have a significant effect on the results and financial position disclosed are:

Accounts Receivable

Accounts receivable are stated at expected realisable values.

Property, Plant & Equipment

All owned items of property, plant and equipment are initially recorded at cost and depreciated as outlined below. Initial cost includes the purchase consideration, and those costs directly attributable to bringing the asset to the location and condition necessary for it's intended use.

Subsequent expenditure relating an item of property, plant or equipment is added to its gross carrying amount when such expenditure either increases the future economic benefits beyond its existing service potential, or is necessarily incurred to enable future economic benefits to be obtained.

Items of property, plant and equipment are written down immediately if an impairment in the value of the asset causes its recoverable amount to fall below its carrying amount. The impairment is recognised in the statement of financial performance. Where an item of property, plant and equipment is disposed of, the gain or loss recognised in the statement of financial performance is calculated as the difference between the net sale price and the carrying amount of the asset.

Depreciation is charged on assets on a straight line basis at the following rates:

BL gs 25 years
Office furniture & equipment 3 - 5 years
Motor vehicles 5 years

Goods & Services Taxation

With the exception of accounts payable & accruals and accounts receivable / prepayments, all items are stated exclusive of Goods and Services Tax

OCEANIA FOOTBALL CONFEDERATION (INC) STATEMENT OF ACCOUNTING POLICIES FOR THE YEAR ENDED 31 DECEMBER 2007

Foreign Currency

Transactions in foreign currencies are converted at the New Zealand rate of exchange ruling at the date of the transaction. At balance date, foreign monetary assets and liabilities are translated at the closing rate, and exchange variations arising from these translations are recognised in the statement of financial performance.

Changes in Accounting Policies.

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.
